### State of New York—Department of Agriculture

#### Certificate of Inspection of Nursery Stock

This is to certify that the stock in the Nursery of CHASE BROS. CO., of Rochester, County of Monroe, State of New York, was duly examined in compliance with the provisions of Section 305, of the Agricultural Law, and was found to be apparently free from any contagious or infectious disease or diseases, or the San Jose Scale or other dangerously injurious insect pest or pests.

This Certificate expires Sept 1, 1913.  
Dated, Albany, N. Y., Sept. 14, 1912.

CALVIN J. HUSON,  
Com. of Agriculture.

While we exercise the greatest care to have our trees and plants true to label, and hold ourselves prepared to replace, on proper proof, all that may prove untrue, we do not give any warranty expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not, at any time, be held responsible for a greater amount than the original price of the trees.

We cannot undertake to supply long and much assorted lists of stock calling for only small quantities of each kind, save at an advance of 10 to 25 per cent. above our printed rates.
